

POLISI KELESTARIAN PENGURUSAN LANDSKAP UNIVERSITI TUN HUSSEIN ONN MALAYSIA

SUSTAINABLE LANDSCAPE MANAGEMENT POLICY UNIVERSITI TUN HUSSEIN ONN MALAYSIA

Polisi Kelestarian Pengurusan Landskap Universiti Tun Hussein Onn Malaysia (UTHM) bertujuan untuk penambahbaikan secara berterusan bagi membudayakan amalan kelestarian pengurusan landskap melalui gaya hidup, perkhidmatan dan pembangunan yang mampan.

Universiti Tun Hussein Onn Malaysia (UTHM) Sustainable Landscape Management Policy aims to cultivate sustainable landscape management practices for continuous improvement through lifestyle, services and sustainable development.

Bagi mencapai matlamat ini, UTHM komited untuk :

To achieve this goal, UTHM is committed to :

- 1. Mematuhi semua piawaian dan garis panduan yang berkaitan dengan pengurusan landskap.**
Comply with all procedures, standards and laws related to landscape management.
- 2. Memberi pendedahan, pendidikan dan kesedaran pengurusan landskap kepada warga UTHM.**
Provide exposure, education and awareness of landscape management to the UTHM community.
- 3. Memberikan latihan secara berterusan kepada warga UTHM berkaitan pengurusan landskap.**
Provide continuous training in landscape management to UTHM students and staff.
- 4. Mengamalkan pengurusan landskap dengan strategi lestari merangkumi perancangan, pembangunan dan pemuliharaan landskap universiti ke arah keseimbangan ekosistem semulajadi.**
Adopt sustainable landscape management strategies which include planning, developing, and conserving the university landscape to achieve a balanced natural ecosystem.
- 5. Mengutamakan aspek kelestarian dengan amalan terbaik pengurusan landskap di dalam perancangan, perolehan, pembangunan dan perkhidmatan.**
Prioritise best practices in planning, developing and servicing sustainable landscape management.
